

TourScale Enterprises, LLC

Parent of TourScale Franchising, LLC and Pedal Pub Holdings, LLC

Re: Notice of Assignment of Franchise Agreement and New Credit or Debit Card Authorization

Dear Franchisee,

This letter is to formally notify you that, effective as of the closing of the Pedal Pub acquisition in early 2026, PP Development, LLC assigned all of its right, title, and interest in and to your Pedal Pub Franchise Agreement (the “Franchise Agreement”) to Pedal Pub Holdings, LLC, a wholly-owned subsidiary of TourScale Enterprises, LLC. Pedal Pub Holdings, LLC is now your Franchisor of record under the Franchise Agreement, and TourScale Enterprises, LLC serves as the parent operating and finance entity for the Pedal Pub, Trolley Pub, Paddle Pub, Tiki Pub, and Cruisin’ Tikis brands.

Importantly, nothing about your day-to-day operations, your Protected Territory, your royalty structure, your development schedule, your brand standards, or any other substantive term of your Franchise Agreement has changed. The Franchise Agreement remains in full force and effect on its original terms, and Pedal Pub Holdings, LLC has assumed all of PP Development, LLC’s obligations to you thereunder.

What we do need from you: To simplify cross-border payment processing during this transition, Franchisor has elected credit or debit card as the payment method for Canadian franchisees on an interim basis, pursuant to **Section 6.04 of the Franchise Agreement** (which authorizes Franchisor to determine the payment method in its sole discretion). Enclosed as **Exhibit G** is the updated Credit or Debit Card Authorization Agreement. Amounts will be charged in the currency stated on each invoice; currency conversion, if any, will be handled by our payment processor or your card issuer at the applicable rate.

Please complete and return the following:

1. Sign and date the enclosed Exhibit G: Credit or Debit Card Authorization Agreement.
2. Return the signed form to finance@tourscale.com. Our finance team will contact you through a secure channel to collect the card details, which will be entered directly into Zoho Billing.
3. Reply with any questions or to coordinate the card-handoff call.

Your revocation rights are preserved. You may revoke this card authorization at any time on thirty (30) days’ written notice to finance@tourscale.com. Revocation does not terminate or affect the Franchise Agreement or any amounts owing thereunder, and you will remain responsible for timely payment by another method acceptable to Franchisor.

If you have any questions, please contact our finance team at finance@tourscale.com.

Sincerely,

Kai Kaapro
